# (A7)
7" Touch Screen

Bluetooth • USB • android • Touch Screen

In-Wall Amplifier With Bluetooth/USB/FM

Features:

- Corte*1.2G 4-core CPU,
- 7 inch touch screen
- 1024*600 High resolution display
- Android 4.4 system
- APK software support phone, Ipad
- Support DLNA, Airplay,Oplay etc
- Support bluetooth remote control
- With Timing switch function
- Support HDMI output, 1080P
- Support doorbell trigger function
- Support audio input and audio output
- Support TF card and 2.0 USB interface
- Support Infrared remote control

1 SET :A7 1 device
Celling Speaker 2 device

Specifications: A7

Model	A7
Description	Touch Screen In Wall Amplifier with Bluetooth/USB/FM
Power supply	AC110-250V
Output impedance	4-8 Ohm
Frequnecy response	20Hz-20KHz
AUX	1
Cable network port	Support
Bluetooth function	Support
CPU	4-core * 1.2G
Tough screen	7 inch
System memory	1GB
Dimension for mounting	175*110*60mm
Output power	4*25W
T.H.D	0.03%
SNR	98dB
Audio output	1
HD video output	1
WIFI	Support
WIFI Audio	Support
Operating system	Android 4.4
Resolving power	1024*600
Memory	8G

Specifications: Celling

2-way ceiling speaker
1) Impedance 8 ohm
2) Power rated: 40W
3) Frequency response: 45Hz-22kHz
4) Sensitivity: 90 dB
5) woofer size 6", silk dome
tweeter speaker size 1"
